

Draw

There is a record entry of 420 crews this year. We have been able to find races for 413 of these. Unfortunately though we were unable to find races for the following crews and they will get a refund (1 further crew withdrew themselves):-

Dart Totnes ARC	A.IM3.1x
Eton Excelsior RC	Mx.C.NOV.4x
Lincoln RC	Mx.B.NOV.2x
Monmouth RC	C.IM3.4+
Nottm Composite	I.4x
X-Press BC	A.IM3.4+

The Veteran Handicap system was applied where necessary to make up races and the Veteran Championships Rules were also applied in some cases to move crews from IM3 to Open and to merge some IM3 and Novice crews together to make races.

Many competitors are doubling or tripling up etc. and we have done our best to accommodate this and the various boat shares. This does mean though that some people will have very quick turn-rounds. We appreciate this can be difficult but it is just not possible to give everyone a couple of hours between races.

The Provisional Draw is unlikely to change but, if it does, the crews concerned will be informed and the changes will be put on the website.

Further Points

- Read the Safety Instructions and study the circulation pattern.
- The lake will be open for practice on the Saturday night from approx. 30 minutes after Loughborough Regatta finishes until 20:30.
- The lake will not be available for practice sessions on the Sunday morning.
- Bring your Racing Licence.
- Tell us about any substitutions/crew changes.
- Full crew lists will be printed in the program.
- Please don't park on the grass verge on the roads by the NWSC (over 70 cars received parking tickets at the Junior Interregional event in April).
- Don't forget to buy a T-shirt!

Finally

- Very many thanks for supporting the National Veteran Championships and we hope you have a good day!
